*ON AND ON and on and on, during our waking hours, we, the faithful clocks at Will Rogers, have watched the activities of the students and faculty, for twelve happy years. Through these years we have tried our best to speed up during those tiresome English and history classes and slow down during the fun assemblies, parties, and exciting ball games, but Old Father Time stops us.*

*During the hot August days of 1950, we saw the football boys dragging in to their gym lockers after long hours on the practice field. In a few more days*

*the building was filled with students coming to enroll, bewildered sophomores studying the plan of the building, entering from basement to tower to find their home rooms, then the faculty getting their rooms in order.*

*So, on September 5, began another eventful year. We are sad when we look for some of those familiar friends who once walked before us, but we are especially pleased as we see their chums greeting them when they return dressed in Uncle Sam's uniforms.*

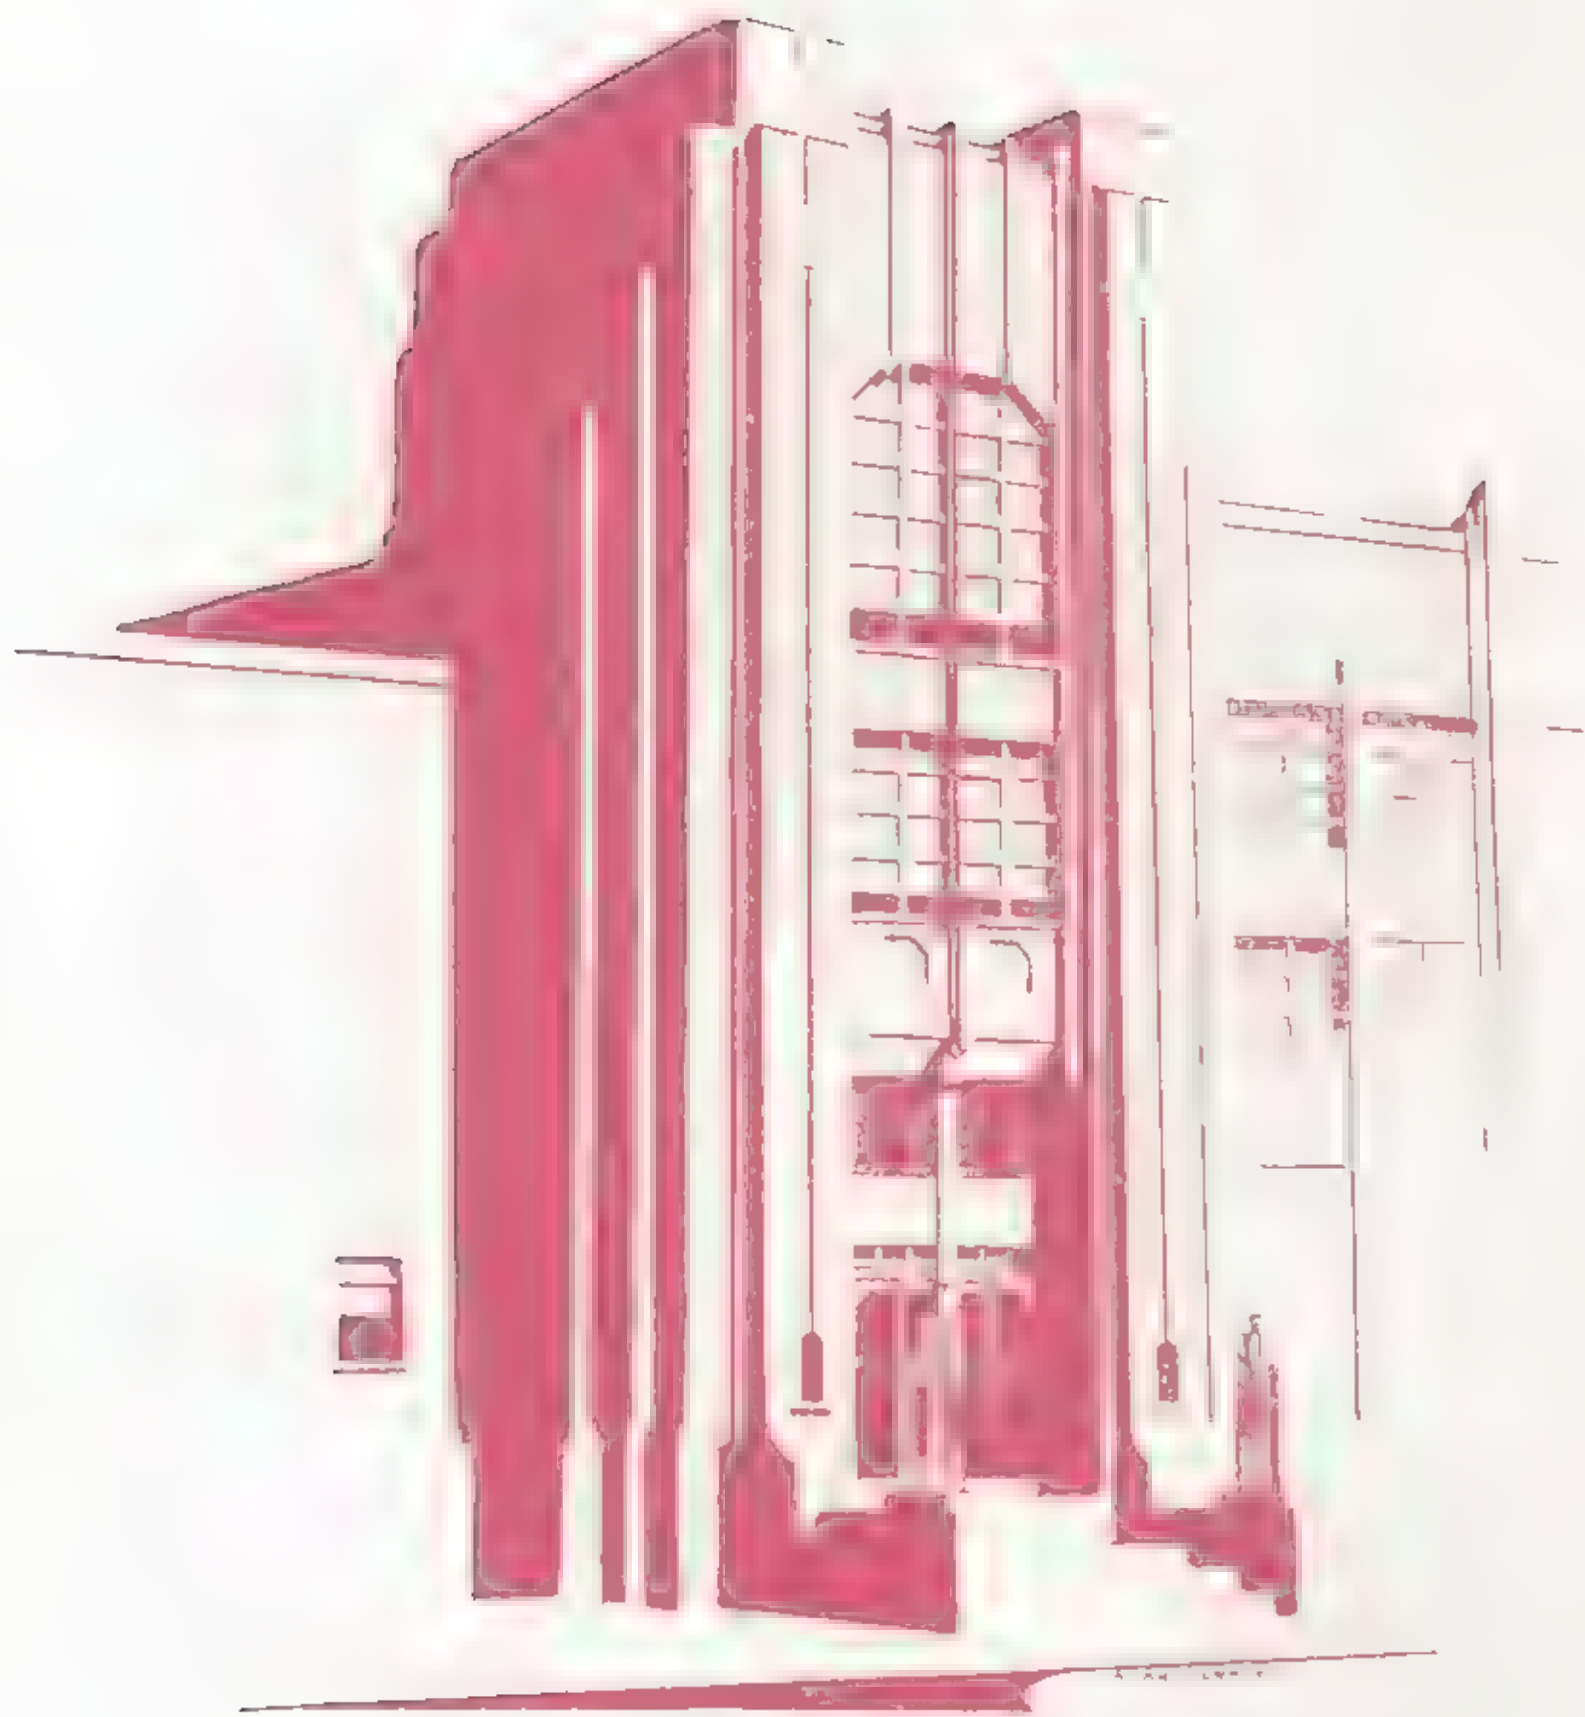

*As usual—we have watched the sleepy eyes in the 8:10 meetings, the period from 8:50 to 9:05 being used as "a home for homeless home work," while some students droned through the reading of the morning bulletin, the wild dashes during the five minute periods between classes when the water fountains gave forth either no water or doused the innocent drinker, the boys running a 440-yard dash after leaving the girls at their classroom doors.*

*We were awakened by the rousing pep assemblies, the Round-Up tap dancers practicing in the halls, the tantalizing odor of pop corn at 3:30, the exciting basketball games, the A Cappella Choir singing Christmas carols through the corridors, and the amateur Romeos and Juliets performing on our stage.*

*We have felt lonely during the long holidays, and as graduation time draws near, we know that we will miss the Seniors, whose faces have become as familiar to us as ours have become to them.*

*So—now there will come another year with Rogerites busy around the clock from September to June and, as we watch their activities, we will keep on and on and on and on and on.*

# dedication

To:

*The Faithful Clocks on the walls of our classrooms and halls at Will Rogers High School, who, year after year, so faithfully tick away the hours from sunrise to sunset and on into the night, through the long months from September to June;*

*whose faces have become so familiar to the bored and weary students in sixth period classes and also to the eager watchers when the moments flew so fast at our exciting ball games, interesting assemblies, all-school dances, and in our favorite classes,*

*We Dedicate this 1951 LARIAT*

*with thanks for the many happy hours as we traveled Round the Clock.*

## In Memoriam

TOMMY GULLEY

*October 12, 1933—December 7, 1951*

Tommy was one of our all around Senior boys, who had many interests both in and out of school. He was active in De Molay, High-Y, intra-mural sports and a member of last year's Cross Country team. He was interested in horses, photography, and surveying.

Tommy was a member of the Co-op class, and lost his life one evening when his scooter struck an unlighted truck as he was returning from work.

The faculty and students of Will Rogers High School mourn the loss of a true friend and a capable worker.

## Student Council

The governing body at Rogers is the Student Council, which is made up of representatives from each home room and the organizations. The Council publishes the Student Directory; works out the Point System; sponsors sales and participates in inter-school, state, regional and national conventions.

This year they sponsored three new projects. One was the Who's Who selection of

outstanding students; each week a poster, giving a list of the accomplishments and a picture of the selected student, was placed in the hall. The Council also sponsored the new Public Address System which was operated by the students under faculty supervision. To help future Sophomores, the Council published a handbook this year, giving information about school organizations and events.

"March down the field to victory for our school!" "Ride on You Ropers!" To these and many other rousing tunes, the high-stepping Will Rogers High School Band proved themselves an inspiration to our school.

The band has been very active this year. They have played for numerous assembly pro-

grams, parades, pep assemblies, and their loyal attendance at football games cheered the Ropers on to many victories. After the arrival of the new uniforms several concerts were also scheduled.

The Will Rogers Band is under the direction of Wyatt C. Freeman.

## FOOTBALL

The Ropers started the 1950 football season with the annual Round-Robin at Skelly Field. The boys came through with a win over Webster 13-0 and 0-0 tie with Central.

Rogers journeyed to Okmulgee for their first conference game and were edged out 7-6 as Okmulgee recovered a blocked punt in the Ropers end zone in the closing minutes of the game.

The next three games were played on our field. The first was with Central and the Ropers played a scoreless first half but came back after the half with a 93-yard kick off return by Billy Lawson. After that the big Blue

line held Central to a 14-0 win. The next game was with Idabel and our boys passed by 53-6. Fayetteville was the next victim of the Ropers. We sent them home with an impressive 40-25 defeat. Jim Pollard and Roger Duncan played one of their best games of the year.

Rogers took to the road the following week, met the strong Muskogee team, and lost 33-0. This was the only team that the Blues didn't score against during the entire season.

We were back home the following week and met Sapulpa who handed us our third defeat of the year 19-7.

Snow and ice caused the cancellation of games with Muskogee and Van Buren during the following week. On February 23 our cagers played at Fayetteville and won the game 41-35.

On the Monday before the regionals we played Muskogee a make up game and lost 48-32. On Wednesday March 7, the regional tournament started with the Ropers not seeing action until the second night. The team dished up a loss to Broken Arrow in the first round and were to meet Central on the next

night. Once again the old rivalry came to life and this was to be the rubber game as each team had won once in two previous meetings. Central out shot and out-scored the Ropers and went on to win 67-49.

Coach Woodrow West named 13 letter men: Charles Canter, Bobby Carrens, Barry Caruthers, Buddy Fulton, O. K. Goolsby, Johnny Havenstrite, Phil Miller, Peck Mills, Clark Reid, Bob Robison, Bill Sanders, Bill Turner, Richard Wich, and Jack Kiper, Manager.

### WON 9 LOST 2

The 1950 Will Rogers baseball team, under Coach Woodrow West, slipped up on Bartlesville in the first game of the season, defeating them 4 to 3.

Eleven proved to be their lucky number in the next two games as they defeated both Sapulpa and Muskogee 11 to 0.

With two more victories under their belt, Central proved a stumbling block, defeating Rogers 7 to 0, and again 9 to 7 later in the season.

For the second consecutive year Rogers' only defeats during the regular season were suffered at the hands of the Central Braves.

One loss in the regional tournament brought baseball to a close for another year.
